DIE PUTJIE

Golf is a hard game to figure out...

One day you can go out and have ten three putts, hit it OB four times, have five shanks and hit 4 greens in reg. The next day you will go out and for no reason at all, you play terrible.

WISE WORDS FOR GOLFERS

@golfrunpluggedhq

1. Your playing partners aren't judging your score—they're judging how long it takes you to shoot it.
2. Before every swing, ask: "Would sober me do this?"
3. A pre-shot routine isn't for show—it's to trick your brain into thinking you know what you're doing.
4. The moment you think "I've figured it out," the game will humble you.
5. Golf doesn't reward bravery. It rewards discipline disguised as cowardice. (Safe is smart. Smart is sexy.)
6. If your buddy gives you advice after your shot, nod politely, then forget it instantly.
