

FROM THE CHAIRMAN'S CHAIR VAN DIE VOORSITTER SE STOEL

There are different types of golfers. There are the hookers and the slicers, the putters and the drivers, those with the yips and others who don't care at all about the result of their next shot. The other day, I heard someone describe himself as a 007 (James Bond) golfer: 0 birdies – 0 pars – 7 double bogeys – and all of this on the first 9 holes.

This is the one type of golfer none of us want to be, but with whom we can all easily identify.

Om die lewe interessant te maak is daar ook verskillende persoonlikheidstipes. Miskien herken jy jouself in die volgende persoonlikheidstipes:

Openness:

Refers to a person's willingness to try new experiences, be imaginative, and have broad interests.

Conscientiousness:

Describes a person's level of organization, responsibility, and diligence.

Extraversion:

Characterizes how much a person enjoys social interaction, outgoingness, and assertiveness.

Agreeableness:

Reflects a person's ability to cooperate, be empathetic, and maintain positive relationships.

Neuroticism:

Indicates a person's tendency to experience negative emotions, such as anxiety and worry.

Gholf is die een spel wat ons juis leer om by ander aan te pas en dat elkeen met wie ons saam speel 'n besondere bydrae maak tot die mens wie ons uiteindelik kan wees. Al slaan hulle die balle verskillend, het 'n 5 voorgese speler 'n 25 voorgese speler nodig om 'n goeie beterbaltelling te speel. Die speler met die yips het 'n kalm maat nodig om 'n goeie telling aan te teken.

The great art of life is to adapt and live together with people whose personalities differ from your own, and to have the emotional intelligence to accept others for who they are, even if it's a 007 you are playing or living with.

It is wonderful to see that so many players have attended the various games so far. Even more wonderful is the camaraderie among each other and the enjoyable socializing after each game. After all, this is what it should be about for us, because in this way, we make it enjoyable for everyone to want to be part of Sages.

Mini Tour

The committee is planning a mini tour for all members during August or September, provided there is enough interest. We want to make it as affordable as possible. However, good prices at the golf clubs can only be negotiated if we have enough players. Please let us know who is interested and also provide suggestions in this regard.

Komitee

Die komitee het **Marius Theron** gekoöpteer om te help met verskillende take en verantwoordelikhede van die komitee. Baie dankie, Marius, dat jy jouself beskikbaar gestel het om te help.
