COMPETITION SUGGESTIONS/RECOMMENDATIONS

P Bacchus discussed the following suggestions/recommendations:

Live draw: It was suggested that a live draw for teams available to play in monthly competitions be posted as a video on WhatsApp. Members requesting specific requests, will be accommodated. The only preference that will be considered is requests to tee off early or late.

Committee tee off: Nigel Henson will always be teeing off last and Billy Pritchard first. Reason explained and accepted.

Cross cart better ball: The cross cart better ball was explained and accepted by all present.

Committee Portfolios: Marthie will compile a proforma for Committee members portfolios.

Name Tags: Name Tags were discussed. Nigel Henson will investigate the price and availability. Some members suggested that the names of members be embroidered on their shifts. A voting pole will be posted on the WhatsApp group.

Financial statements: Nigel Henson will forward monthly financial statements to the Committee for approval and will be available at monthly competitions.

No further points discussed.
