Hi All,

We had a good time at Observatory Golf Club. The course was in excellent condition, thanks to the green keeper, Darren Lotis. Results on page 2.

A very cold week at Bloemfontein for the Nationals. Donovan got really sick and landed up in hospital. Better now, but missed our game at State Mines. Get well quickly, Chairman, we need you for the George Potgieter Memorial.

State Mines was good but their carts were a problem. They had issues with water so could not clean them, 2 had no brakes and 1 had a steering wheel problem. Results on page 3.

Our next game is at Maccauvlei: The George Potgieter Memorial on 8th July. Vaal will be hosting. Please make every effort to be there to represent South Rand in order for us to make it a competitive competition.

The Regionals are been held at Benoni Country Club on the 21 & 23 July. Paul Styen will be organising this. Please contact him if you want to enter. Mark Kleinhans and Phill Bennet have already entered!

The official invitation for the Regionals still needs to be published and will be forwarded to you as soon as it's available.
