Fellow Members

It was extremely disappointing that we had to cancel our monthly West Rand Sages Event at MagaliesPark. We (115 Players) hung around in anticipation but had to make an On/Off call by 08h30. Besides the rain not letting up, the club also told us that some of the greens were water-logged.

.... Besides this exceptional turnout, I was reminded of our **Sages Values**. The fighting spirit of our men and ladies just could not be overlooked. Where many would have thrown in the towel, we had two absolute fighters waiting in the background (one in the car and one on his chalet stoep) quietly feeding off their oxygen packs, while waiting for a go/no go decision. In the spirit of comraderie, we need to **SALUTE** these two WR Sages stalwarts. **DOUGIE POOLE** and **CLYDE STIRLING** – you are **FIGHTERS** of note and we **RESPECT** you both!

Costs and Re-Imbursements re: Cancelled MagaliesPark Game

To electronically re-imburse 115 players will require a huge and costly task (ie. Get account details from all, set up beneficiaries on the system, make payments, carry the bank charges, etc). The Committee has "met" and made a decision. A separate communique will be sent out to all members and their visitors re: the handling of the resulting credits from the EFT payments made.

Best Wishes to All

Until Next Time!
