### December 2025 Newsletter

Welcome to the latest newsletter.

Season's greetings to you and your families and I hope you enjoyed the festivities and didn't over indulge.

Firstly, I would like to start with our recent Cansa day which had an incredible turnout of nearly 140 players. A lot of people participated in the auction which with the green fees, raffle etc and a small contribution from Sages funds, we managed to raise **R40000** which is R10000 more than last year.

A huge thank you to **Kuils River Golf Club** for hosting the day with very good green fees and a well-conditioned golf course.

A big thank you to the members who participated and brought visitors to help increase the size of the field.

The day would not have happened without **Rohan and Chris**, as well as **Rob and Terence** at the auction, a big thank you to all of you. Results further down the page.

Our last game of the season was at **Milnerton**, where again we attracted a fantastic field of **109 players**. Thanks go to the Management and staff for a smoothly run day. Another plus was that the wind stayed away which can be seen in the results at the end of the page.

**The Nationals** are to be held in **Johannesburg** on the **16<sup>th</sup> to 20<sup>th</sup> of March (at Rand Park)**, which does not give us a lot of time to get organised.

We don't know how many teams we are allowed yet, but if you are interested in participating, please let **Rohan** know. Don't worry if you are a new member and don't think you would make the team. The criteria we use for selection will only be used if we are over-subscribed.

In **February**, we will be holding our AGM at **Bellville**. All positions on the committee are available for selection and if you are willing to fill any of the positions kindly put your name forward. Contact **Elroy** who will forward you the nomination form.

Sages National now has a new website which we would recommend members to have a look at [sagesseniorgolfers.co.za](http://sagesseniorgolfers.co.za)

**Remember** the subs for 2026 of **R420** are due by **31 December 2025 extended to 31 January 2026**.

You can pay by EFT to:

**Sages WP Savings Account**

**Nedbank Table View**

**Account No 2008442659**

**Branch code 198765**

**REFERENCE YOUR NAME extremely important.**

Alternatively, you can pay at our next game at **Durbanville by card only**.

I know at this time of the year we do lose some members for different reasons and we wish you all the best. PLEASE inform **Elroy Kleinveldt** if you intend resigning, it is important as the NMC expects payment for you if your name reflects on the books.
