### Fellow Members

How nice it was to meet up and exchange some holiday stories and plans for the new year. The new enthusiasm was very visible before the game at the course and can also be seen by all the Redbook entries for our next game at Krugersdorp. Our final Timesheet had 112 players starting the day.

As always, Goldfields West golf course is always a winner and worth the journey. Thanks to Joe Bootha and Logan Corns for their WhatsApp's warning our members of specific road conditions and speed traps which I'm sure helped all of us to travel safely.

Thank you to the Goldfields management and staff for accommodating and supporting us and presenting us with a beautiful course even though I never came to terms with my putting on the greens. Do I use the mountain or do I use the grain of the grass when reading my putts. I guess it must have been me because the winners posted some good scores. Well done!

As mentioned, we'll keep refining the cart booking and allocation process for the courses that only have 38-40 carts available. Our fields are growing but the traditional clubs' availability of carts remains limited. We can ask the clubs to order more carts which they then hire for the day, but this becomes very expensive and defeats the purpose of offering affordable golf to our members. At the end of the day, it comes down to members phoning the club proshop's in time to book your cart.

We thank our Secretary, Larry Friedman for exploring the possibility of playing our August game at SOWETO Country Club instead of CMR. One of the main reasons being that CMR have not responded to our correspondence and reservation requests sent out last October. We have been assured that Soweto Country Club is a beautiful course with easy and safe access off the highway and are very keen to host us. This was supported by a show of hands prior to our prizegiving. It also meets one of the Committee's 2026 Objectives, namely, Members Experience.

Best Wishes to All

Until Next Time!
