PLAYING PARTNERS

Players are reminded that they MUST play with the partner in a Better-ball Competition as the names appear on the draw/tee-sheet. The habit of arriving at the venue and then deciding who to partner with, makes it extremely difficult to speed up proceedings, as the computer is set up to finalise scores ASAP after completion of play.

OPENING OF ROUNDS

The new HNA system is not as straight forward as the old system. The best way to overcome the challenges is to stay awake and read the App. Make sure that you enter the correct scores.

Some Clubs might not be able to open rounds and it remains the player's responsibility to ensure that the round is opened and that the correct score is entered.

LOCAL RULES

Each Club have its own challenges with respect to course conditions, environment and weather issues.

Each Club will therefore issue local rules to enable proper playing conditions. It is important to check the notice boards for the latest rules applicable.

CLOTHING

For any clothing requirements please contact Debbie de Wet 083-212-8996 or dewetdeborah5@gmail.com.

To enable the new members and those who require clothing, an attempt will be made to have Debbie de Wet playing as late as possible to be available to sell clothing.

The players who are not properly dressed either on the course or at prize-giving will be informed that they are not following the dress code. Their names will be recorded, and future adherence will be monitored.
