Golf Rules

MCC Middelburg het die volgende reëls maar let op dat dit ook op ons toernooie van toepassing is en nagekom moet word.

SIREN

When the siren goes off, players must immediately return to the club. You may not continue to play. If a player continues to play, they will be disqualified. When the siren goes off again in two short intervals, golfers must resume their game.

OB OUT OF BOUNDS

All boundary fences, swimming pool, tennis courts, driving range and guest lodge as staked, playing the 17th hole, out of bounds to the left of the white markers down the 18th fairway. This does not apply to the 18th hole, i.e. not out of bounds to the left. The tar road dividing the golf course.

INTEGRAL PART OF THE COURSE

A ball landing on any frequently used service road may be dropped within one club length, not nearer to the pin and not improving your line or stance. Total swing relief is allowed for a ball landing behind the windmill on hole 12; no line-of-sight relief is allowed.

PLACING

The ball must be marked and can be cleaned, then placed by hand within one club length, not nearer the hole. Fairway in play only.

PENALTY AREAS

Penalty areas are indicated by yellow and red markers. Compulsory drop zones are on holes 12, 13 and 17.

GOLF CART USE

No golf carts are allowed on the short-mowed areas around any green or tee box.

CADDIES

Caddies will not be allowed to play golf on the course. Caddies will only be permitted to caddy if they are wearing the official caddie bib. Caddies are not permitted to drive Golf Carts.

GOLF ATTIRE

Appropriate golf attire must be worn on the course at all times. Soft-spiked golf shoes are required. Sharing of clubs is not permitted.

GREEN / SURROUND SLITS / CUTS

A ball landing on the green surround slit may be marked, lifted and placed onto either the green or the fairway, as close as possible to the original line of the ball, not nearer to the pin.

THE BOX DISTANCE MARKERS

Distances are measured down the centre of the fairway from the centre of the green to the centre of the tee box distance marker. Fairway distance markers are measured in a straight line from the front of the green.

SCORE CARDS

Score cards must be completed in full, i.e. date, competition player, handicap and signatures. All totals must be added up.

PACE OF PLAY POLICIES

Players should recognise that their pace of play affects others and they should play promptly throughout the round (such as when going to the next tee). A 15-minute break is compulsory between the 9th and 10th holes.

SPECIAL OR REQUIRED RELIEF PROCEDURES

All service roads and cart paths, cement foundation and 'old stone' right of Hole 2. Where an electric fence is used as a boundary fence, relief of two club lengths from the fence is permitted.
