

SOUTHERN CAPE NEWSLETTER NO 4 OF 2026

SAGES IN THE FOG

The SAGES travelled to Riversdal on 14 July to play golf. On their way there from the east, the men and ladies encountered fog, but were not too concerned as beautiful sunshine had been forecast. However, the fog persisted and the sun only made its appearance after the golf had been completed.

The following members achieved two-clubs, and each earned a golf ball: Johan Leonard, Freddie Jansen van Vuuren, Colin King, Willem Nel and Herman Maartens.

Once again generously donations by JC Slagtery in Riversdale for the nearest-to-the-pin prizes, were won by Herman Maartens on the 8th hole and Leon Neveling on the 4th/13th hole.

The following four-balls performed exceptionally well in the Alliance:

Third Place – 84 points:

Colin King, Lawrence Barltrop, Willem Nel and Bennie Geldenhuys.

Second Place – 85 points:

Willie Albertyn, Piet Cronje, Leon Neveling and Arrie van Huyssteen.

Winners – 87 points:

Hein Jansen van Rensburg, Wilhelm Steenkamp, Freddie Jansen van Vuuren and Johan Verster with Nic Marais.

SOCIALISING AFTER THE GAME

There was also plenty of enjoyable socialising afterwards, as the photographs below show.

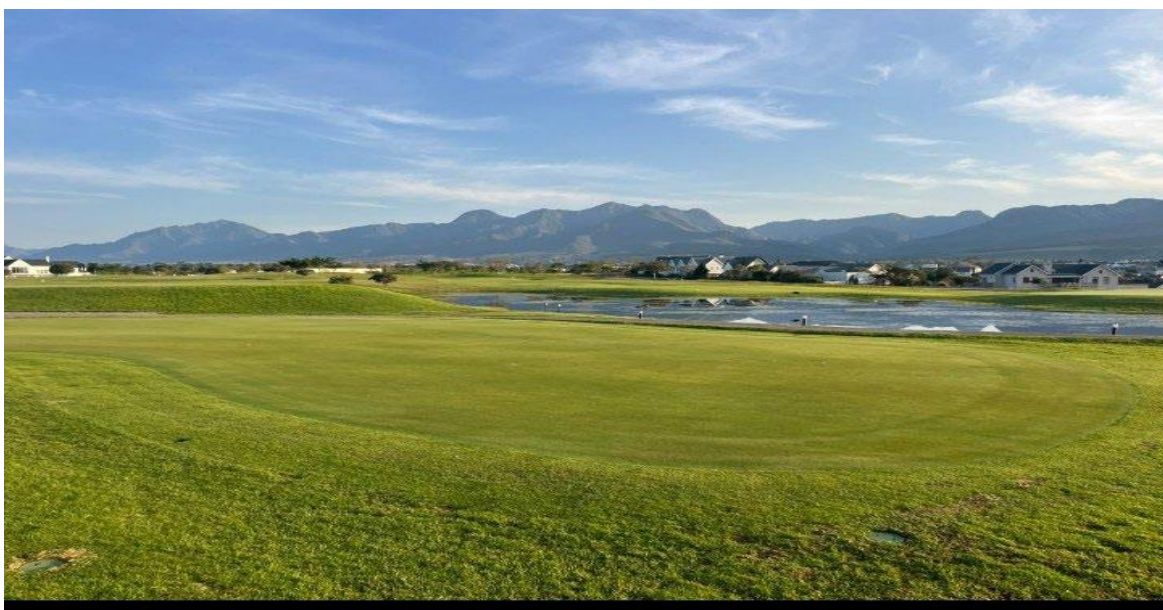

KINGSWOOD – 3 AUGUST

A total of 56 players travelled to Kingswood to take part in a betterball competition.

To the disappointment of most golfers, the two-clubs achieved on the fifth hole could not count, as the hole was not even 50 metres long. There were, however, no other two-clubs achieved.

Below is a photograph of the lovely day from the clubhouse.
